- Participants will also be awarded for the best presentation.
- Participants should plan to bring 5 gallons of chili.
- A 4X8 table will be provided.

We suggest that Crock Pots are used to heat and serve chili. Only electric and sterno heating will be allowed. No propane or any other types of heating will be permitted. Extension cords will not be provided.

Restaurants should bring a banner and other items to advertise their presence. Electronic logos should be sent to jennie@sunlightmtn.com to be posted on Sunlight's website.

This is a fundraiser for Grizzly Hockey of Glenwood Springs and chili cook-off buttons (tickets) will be pre-sold for \$10. Buttons pre-purchased can be used for discounts at local businesses through Ski Spree weekend. The locations providing discounts will be posted at www.sunlightmtn.com/events. We expect to pre-sell 250-300 buttons. People that would like to taste and vote on chili must purchase a button from the Glenwood Springs Chamber, American National Bank or a Grizzly Hockey member or they may make their donation at Sunlight before entering the competition area. There will be approximately 1,000 skiers and snowboarders at Sunlight on February 4th, so this should be a very busy and exciting event. People that purchase a button will be given \$10 off an adult or child lift ticket on February 4th and 5th at Sunlight.
